AWS Section Meeting Wednesday, March 17th

Subject: Fuel Gases Other Than Acetylene
- Safety, Operation & Economics

Where: OXARC Training Center
4003 E Broadway, Spokane

Time: 6:00-6:30 Pizza & Pop
6:30-?? Presentation

Speaker: Dan Enz, President ENZCO, Inc.

Dan began his career in the welding industry with Vancouver Welding Supply in 1971. With stops with HPG selling propylene to 11 western states and as District Manager for Victor Equipment Company (covering the Pacific Northwest and Alaska) Dan has always stayed current with products and processes to show customers a better way to get the job done. He currently owns ENZCO, Inc., in Lacey Washington and continues to be on the leading edge of technology.

His presentation will include some information on "Metal Art" for any aspiring artists. Bring your safety gear for a hands-on meeting!

Please **RSVP** with Heather @ 535-7794 or hschimke@oxarc.com

Purchase books and publications through our Section and receive free shipping and a 25% discount. Contact Phil @ Brooklyn Iron, or any Section Officer.
